Tarih : 28.02.2020
Sayı : 34221550-010.99- 2107
Konu : Askıya Alma Sistemi

İlgi : Ticaret Bakanlığı'ndan alınan 26.02.2020 tarihli elektronik posta.

İlgi'de kayıtlı elektronik postada, sanayicilerin ihtiyaç duyduğu hammadde ve yarı mamul niteliğindeki sanayi ürünlerine ilişkin her yıl 1 Ocak ve 1 Temmuz tarihlerinde yürürlüğe girecek şekilde yapılan askıya alma, üretim tüketimi karşılamayan ürünlerde ise tarife kontenjanı başvuruları, ülkemiz temsilcilerinin de yer aldığı bir toplantıda Avrupa Komisyonu tarafından müzakere edilerek karara bağlandığı belirtilmiştir.

Elektronik postada, ekte sunulan hali hazırda gümrük vergisi askıya alınmış olan eşya listesinin AB'den ithalat değeri 15.000 avro'nun altına düştüğü için Komisyon tarafından 2021 Ocak döneminde listeden çıkartılmasının öngörüldüğü ve listede kırmızı ile renklendirilen eşyaya yönelik olarak, 2021 yılından sonra da askıya alma uygulamasının devam etmesinin talep edilmesi durumunda, ilgili firmaların en geç **06/03/2020 tarihine kadar Ticaret Bakanlığına** uzatma başvurusunda bulunması gerektiği açıklanmıştır.

Başvuruların işleme konulabilmesi için en geç yukarıda belirtilen tarihe kadar Ticaret Bakanlığı'ndan evrak kayıt numarası almış olmaları gerektiği ifade edilerek, başvurulara ilişkin formlara <https://www.ticaret.gov.tr/ithalat/askiya-alma-ve-tarife-kontenjan/askiya-alma-sistemi> adresinden ulaşılabileceği kaydedilmiştir. Buna ilaveten askıya alma sistemine ilişkin detaylı bilgi 2020/18 sayılı Askıya Alma Sistemine İlişkin Tebliğ (İTHALAT:2020/18)'in incelenebileceği ve aşağıda isimleri yer alan kişilerle irtibata geçilebileceği vurgulanmıştır.

Prolongation exercise 2021

It is necessary to amend the end date for the mandatory review for certain amount of products currently listed in the Annex to Regulation (EU) No 1387/2013 in order to allow duty-free imports beyond 31.12.2020.

The autonomous Common Customs Tariff duty suspensions for those products have been reviewed and new revised dates should be set for their next mandatory review

This excel table is listing suspension measures subject to the prolongation exercise for cycle 2021-01.

We note the following:

The items indicated by string “**≥15000/green**” in column “Status” will be prolonged automatically until 31.12.2025 except in cases where:

- the negotiations for cycle 2020-07 led to another conclusion, or
- possible economic objections submitted within cycle 2021-01

In addition, pending on the opinion of DG AGRI certain suspension measures (e.g. Palm oil) can be prolonged for one or more years,

The cases marked as being “**<15000/red**” will expire by the end of 2020, unless a request for prolongation will be issued (pursuant to Commission communication OJ C 363, 13.12.2011, p. 6.) in due time by Member State authorities acting on behalf of EU producers.

-In such a case one year prolongation (until the end of 2021) will be considered.

Reminder: Deadline for submitting prolongation requests - 15 April 2020.
